

Consolidate your business knowledge documentation into an easy-to-use SaaS solution

Retain Knowledge

Knowledge retention is a significant issue facing businesses today. High staff turnover and poor documentation are often the cause. The Oracle (KM) gives you a central knowledge repository based on a simple Q&A interface.

Simplicity

Many businesses cite the complexity of documentation systems as being the primary cause of people not maintaining adequate documentation. The Oracle (KM) is so simple that anyone can use it. It is a snap to use.

SaaS Enabled

The Oracle (KM) is cloud based and secure. We handle the hosting, the backups, patching and security so you can focus on your work. Leave the heavy lifting to us. You also get access to a dedicated help desk to provide you with guidance at every step of the way.
